

# SMITTYBILT NEWS

CLASS: SB5 ISSUE: 20 MONTH/YEAR: MAY 2010 PRODUCT HIGHLIGHT: XRC FENDER FLARES

ANGLED SHAPE FOR EASY INSTALLATION

POWDER COATED

XRC FENDER FLARES

## XRC FENDER FLARES

- 100% steel construction, for extra durability
- Powder coated for immediate use or can be painted to match vehicle color.
- Stream line design to help increase suspension articulation while maintaining the street-ability look.
- Less is more when it comes to XRC Fender Flares, where the OE fender does not meet your needs.

### APPLICATION

XRC Fender Flares 07-10 Jeep Wrangler

### PART #

76837
