CLASS: SB 3 ISSUE: 24 MONTH/YEAR: MAY 2011 PRODUCT HIGHLIGHT: M1 WIRE MESH GRILLES

## M1 - TRUCK WIRE MESH GRILLES

The all new M1 Wire Mesh Grille is the next generation in front end styling. Each grille is precision made for each application and will set your ride apart from others. All M1 grilles are manufactured out of 304 marine grade stainless steel and feature a chrome lug treatment which is installed around the outer ring of the grille. All our M1 grilles are finished off in a textured matte black powder coat and equipped with a five year finish warranty. When you're looking to complete your ride and need something that will make a statement, look to Smittybilt.
