NEW PRODUCT

THE NEW XRC ARMOR ACCESSORIES
for the 1997-2006 Wrangler

THE NEW LINE OF XRC ARMOR was developed for the "Xtreme Rock Crawling" market. Each area of your Jeep is completely protected to withstand the toughest and harshest conditions you can get your rig into. All of our Armor Components start with heavy gauge cold rolled steel and then meticulously handcrafted & fitted to guarantee you a perfect fit every time.

All of our armor is finished in the Smittybilt Signature Series Black Matt Powder Coat and comes with a 5 Year limited warranty. When you're looking for the maximum protection without sacrificing style then bolt on any one of the Smittybilt XRC Amor products to deliver you the performance and value you can always count on.
