

## XRC GEN2 ARMOR JEEP® JK WRANGLER 2/4 DOOR

Smittybilt's XRC GEN2 Armor the new line of XRC JK bolt-on fender flares were specifically engineered to provide the maximum protection and clearance needed when you're pushing your rig through the toughest conditions.

Each XRC GEN2 Armor is powder coated for immediate use and durability or they can be painted to color match your ride. XRC Fenders are streamline designed to help increase suspension articulation while maintaining the street-ability look. Less is more when it comes to XRC GEN2 Armor, when the OE fender does not meet your needs.

- A** Maximizes wheel well clearance and provides ultimate protection
- B** PP+TPO slip strips provide 5/16" additional damage protection
- C** Integrated Halo fog light and turn signal for front fenders
- D** Includes optional fender extensions
- E** Allows articulation room for up to 40" tires
- F** Sold in pairs

76883 FRONT  
(with extensions shown)

76885 REAR  
(without extensions shown)
