

OVERLANDING 180 DEGREE AWNING/WALLS

The Smittybilt 180 Degree Awning pulls out and can be set up in seconds while providing you enough sun protection to enjoy the sights. With a sleek and rugged design, you can rest easy knowing this awning will withstand the elements. Rugged construction with lightweight extruded aluminum backbone system and self-contained telescopic twist-lock poles all contained in a heavy-duty zippered PVC travel cover to protect your awning from getting beat down on while traveling to your destination. Optional walls zip in place to provide additional shade and protection from the elements.

- A** 180 degree coverage and over 88 square feet of shade
- B** Seven tie-down points for securing drop down legs and controlling water runoff
- C** Universal mounting bracket systems fits most roof racks or crossbars
- D** Four adjustable support poles for enhanced strength
- E** 10-gauge expandable zipper for accessory wall enclosure fitment (walls sold separately)
- F** Patented recess-stored aluminum twist-lock poles
- G** 600D Oxford polyester
- H** 1000G Heavy duty PVC travel cover
- I** Stakes and guy ropes included for all tie-down points
- J** Quick-release secured tensioning straps for simple one-touch setup and adjustment
- K** Self-contained aluminum twist-lock poles
- L** Gusseted awning arms
- M** Color matched to SB GEN2 Tents and Hardshell Tent
