

OVERLANDING 270 DEGREE AWNING/WALLS

The Smittybilt 270 Degree Awning pulls out and can be set in seconds while providing you enough sun protection to enjoy the sights. With a sleek and rugged design, you can rest easy knowing this awning will withstand the elements. Rugged construction with lightweight extruded aluminum backbone system and self-contained telescopic twist-lock poles all contained in a heavy-duty zippered PVC travel cover to protect your awning from getting beat down on while traveling to your destination. Optional walls zip in place to provide additional shade and protection from the elements.

- A** 270 degree coverage and 123 square feet of shade/uv protection
- B** Color matched to SB GEN2 Tents and Hardshell Tent
- C** Universal extreme duty mounting bracket systems fits most roof racks or crossbars
