

# EXTREME GRAB HANDLES

## JEEP® JL WRANGLER JT GLADIATOR

Smittybilt's Extreme Grab Handles for the Jeep® JL Wrangler and JT Gladiator provide added support entering and exiting out of the vehicle. Made from die cast aluminum, it's sure to withstand many off-road adventures. No cutting or drilling is required to mount these handles by using factory hardware.

- A** Aluminum drop grab handles can be snapped out of the way when not in use
- B** Added support for entering and exiting your Jeep®
- C** Easy bolt-on installation
- D** Uses existing factory hardware
- E** Sold as a pair
