

OVERLANDER HARD SHELL TENT

The new Smittybilt Overlander Hard Shell Tent has been designed for the enthusiast who is looking for a low profile, durable and high value rooftop tent. This tent has the features needed for you to enjoy the outdoors and live anywhere with the ultimate off-road shelter.

- A** Low Profile – Aerodynamic slim ABS body
- B** Gusseted awnings on all 4 sides of the tent
- C** Extra long 92.5" telescoping ladder with a 300 lb capacity
- D** Ultra Light Weight – strong build with an aluminum frame
- E** Easy and instant set up with gas-assisted struts for easy opening and closing of the tent
- F** Stainless Steel closures to keep the tent securely closed while traveling
- G** Interior features include durable ceiling insulation, 2" thick high density foam mattress and LED lantern
- H** Durable YKK zippers
