

Neoprene Seat Cover Sets 2018+ Jeep® Wrangler JL 4-Door

The popular Smittybilt Neoprene Seat Covers are now available for the Jeep® Wrangler JL 4-Door. These classic covers provides an extra layer of protection for your JL seats and the water-resistant neoprene material repels mud and debris when off-roading without doors, windows or a top. Each cover is 100% neoprene – not just front panels like other brands – and are custom designed for each vehicle application with removable head rest covers and holes for seat belts and levers. The matching rear seat cover is padded for comfort and comes equipped with a heavy duty rear zipper to ensure a snug fit.
