

TAILGATE BAR AND RETAINERS FOR 2018+ JEEP® JL

The Smittybilt Tailgate Bar & Retainers for the 2018-Current Jeep® JL for both 2-Door and 4-Door applications, uses the existing factory locations and has a black powder-coated finish. It is designed to work with most soft goods and accessories from all manufacturers, making this a great replacement.

- A** Designed to fit in factory location
- B** Works with most soft good accessories from all manufactures
- C** Nylon reinforced retainer clips included
- D** Easy installation - no drilling required
- E** Custom honeycomb design pattern
