

# XRC FLAT FENDER FLARES FOR 2018+ JEEP® JL 4-DOOR

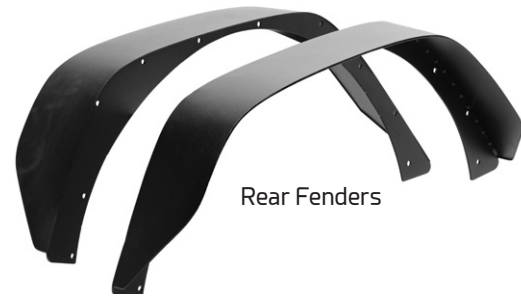

The XRC Flat Fender Flares are 100% steel construction, for extra durability. Each XRC Flat Fender Flare is powder coated for immediate use and durability or they can be painted to color match your ride. XRC Fenders are streamline designed to help increase suspension articulation while maintaining the streetability look. Less is more when it comes to XRC Flat Fender Flares, when the OE fender does not meet your needs.
