

SMITTYBILT DUAL ZONE FRIDGE/FREEZERS

Built for the hardcore overlander and weekend warrior alike, the all new, battery powered Smittybilt Basecamp 75L and Waypoint 55L Dual Zone Fridge Freezers revolutionize the fridge game by introducing true mobility and customization to fit your needs. Smittybilt set out to make the most technically advanced and customizable fridge system on the market with smartphone controls via Bluetooth connectivity, removable wheels, extendable handles, and dual zone freezing and cooling capabilities. The Basecamp and Waypoint come solar panel ready out of the box, and with a battery life of up to six hours with spare batteries available for purchase separately, the all-new Smittybilt Fridges allow you to ditch the bags of ice for good.
