

HAMMOCK

Whether you're relaxing in the park or sleeping under the stars, Smittybilt's grab-and-go Hammock has everything you need to stay comfy. Made of 210T nylon fabric, the 400-lb. capacity, 118-inch-long x 78-inchwide hammock offers the best rest at the right time. Equipped with 6-1/2-foot tree straps and carabiners, featuring 5 separate loops for height adjustment. Its lightweight material and built-in storage bag allow you to take it on a day hike or a weeklong overlanding trip.
