

SMITTYBILT ADVENTURE SERIES BUMPER

For enthusiasts looking to customize their truck with a tough, high-clearance, customizable modern bumper from a trusted name, look no further than Smittybilt's new Adventure Series Bumpers. Priced right, the winch capable front bumper enhances the truck's styling, provides high-angle tire clearance off-road, and allows for installation of a 30" Light bar and up to 4 additional pod lights. Designed and manufactured in America, Smittybilt delivers the new Adventure Series Bumpers with a lifetime structural and 5-year finish warranty.

FEATURES & BENEFITS

- A** Tight, tucked design compliments new truck styling with clean lines that enhance the OE designs while adding improved functionality.
- B** Heavy Duty- 3/16 Steel Construction protects the vehicle's vital components and add strength where it matters.
- C** Customizable panels around lights are paintable and allow the customer to color-match to their truck.
- D** Provision for (1) 30" Light bar (Single or Double Row) and up to (4) 2x2 pod lights.
- E** High clearance design increases approach angles for improved off-road capability.
- F** Includes 2 welded D-Ring mounts.
- G** Winch-ready out of the box.
- H** Compatible with factory parking sensors and radar cruise control.
- I** Rear bumpers come with Smittybilts Locking Cubby Cover (Part#2764)
- J** Lifetime structural warranty, 5-year finish warranty.
