

# RECOVERY TRACTION BOARDS

## SMITTYBILT SB2890

The Smittybilt Recovery Traction Boards offer reliable traction on mud, snow, and sand. Made from heavy-duty nylon reinforced plastic, each compact board supports up to 20,000 lbs. With high-traction surfaces, carrying handles, and a stackable design, these boards are sold in pairs with a durable 600D nylon storage bag. Be prepared for anything with Smittybilt Recovery Traction Boards.
