S/B61248W - FRONT BUMPER

The Smittybilt Toyota Tacoma Front Bumper is ideal for anyone who need a versatile, rugged bumper that excels both on and off the road. This bumper allows for increased grille protection, winch installation, recovery points, and auxiliary lighting, all while maintaining the vehicle's style and function.

- Increases grille protection without sacrificing style
- Includes provisions for a winch, recovery points, and aux lighting (front bumper works with most Smittybilt winches)
- Low-profile bull bar adds grille protection while maintaining factory safety features
- Fully powder-coated finish for durability.
- Optional High Clearance Wings (SB61249W) for extra tire clearance and lighting options
- 5-year finish / lifetime structural warranty

S/B61648W - SLIDERS W/ STEP

Step your off-road game up with these Sliders with Step for their 2016-2023 Toyota Tacoma short bed model because it offers robust wheel-to-wheel protection and an integrated rear kickout for added security during any adventures.

- Double Cab short bed only
- Integrated rear kickout for increased protection
- Protected rock light mounting points
- Frame mounted, bolt-on installation
- Hybrid tube and plate steel construction
- 5-year finish / lifetime structural warranty
