

# GEN3 XRC FRONT BUMPER JK/JL/JT

The XRC Gen3 front bumper from Smittybilt is designed for off-road enthusiasts who need both durability and functionality. Made from 3/16" cold-rolled steel, it offers superior protection and improved clearance with its aggressive stubby design. The bumper also features versatile lighting options, accommodating OE fog lights and multiple light mounts for LED bars. Additionally, the two-stage light texture powder coat and 5-year finish warranty ensure long-lasting durability, while its unique design adds a bold, stylish look to any vehicle.
