

BUILT TRAIL READY WITH SMITTYBILT ADVENTURE SERIES REAR BUMPER

For those looking to add a rugged, modern touch to their truck, Smittybilt's Adventure Series rear bumpers deliver both style and protection. Featuring a unique locking cubby storage compartment, these bumpers are made from durable 3/16" steel with D-ring mounts welded on both the inside and outside. Built to withstand the toughest conditions, they come backed by Smittybilt's Advantage Warranty for lasting peace of mind.

MISSION-CRITICAL STRENGTHS

- Heavy-duty 3/16" steel construction protects the vehicles vital components and adds strength where it matters
- D-rings mounts are external and internal perimeter welded for maximum strength

ADVENTURE-READY EXTRAS

- Direct fitment
- Locking Cubby Compartment Included
- Light mounts included
- Form fitting sleek design
- Compatible with OE sensors
