

NEW PRODUCT RELEASE
2024+ TOYOTA TACOMA

TOYOTA TACOMA BED STIFFENERS

*Ratchet strap and refrigerator available separately

Reinforce your 2024+ Toyota Tacoma with Smittybilt Bed Stiffeners (SB61758W), engineered to eliminate bed flex and add confidence when running bed racks, hauling heavy gear, or tackling rough terrain. Heavy-duty steel construction with internal bracing delivers the rigidity your truck needs for serious overland and work-ready setups. A durable powder-coat finish stands up to the elements, while integrated tie-down points add everyday utility. Flexible vertical or horizontal mounting options ensure a clean fit across a wide range of builds, and straightforward installation means less time in the garage and more time on the trail. Finished with a built-in bottle opener for trail-friendly convenience, these bed stiffeners keep your Tacoma solid, capable, and ready for real-world use.

MISSION-CRITICAL STRENGTHS

- Can be mounted horizontally or vertically to suit different needs
