

NEW PRODUCT RELEASE

ADVENTURE SERIES REAR BUMPER

19-26 RAM 1500

*OFF ROAD LIGHTS SOLD SEPARATELY

Transform your Ram 1500 with the Smittybilt Adventure Series Rear Bumper. Its bold, form-fitting design adds attitude and extra functionality. Built to handle backroads, campsites, and job sites without compromise, your upgraded bumper will deliver the perfect balance of style and strength - making your Ram adventure-ready while keeping your truck sharp, capable, and protected where it counts.

MISSION-CRITICAL STRENGTHS

- Withstands abuse with heavy-duty 3/16" steel construction
- Handles tough pulls with welded D-ring recovery points
- Maintains full function with OE sensor and electronics compatibility
- Installs easily with a direct bolt-on fit

ADVENTURE-READY EXTRAS

- Supports trail upgrades with integrated light mounts (lights sold separately)
- Secures gear with a lockable cubby compartment
- Elevates style with a sleek, form-fitting design built for the Ram 1500
- Delivers precision with a vehicle-specific fit for 19-26 Ram 1500 (Not compatible with Ram 1500 Classic)
- Protects your investment with a Limited Lifetime Structural / 5 Year Finish Warranty
