

MORE THAN A SPARE TIRE CARRIER

DEFENDER HITCH MOUNTED SWING-OUT TIRE CARRIER

Built for rigs that carry more, the Smittybilt Defender Hitch Mounted Swing-Out Tire Carrier adds secure spare tire storage, easy rear access, and camp-ready utility to any vehicle with a 2" receiver.

The smooth roller-bearing swing-out design locks securely in multiple positions, giving you room to load gear, access the rear cargo area, or set up at camp without fighting your spare. Adjustable mounting supports up to a 35" tire and fits a variety of bolt patterns.

Integrated features like a flip-down table, pull-out cutting board, lockable storage, and built-in bottle opener make it more than a tire carrier — it's a functional trail and camp setup.

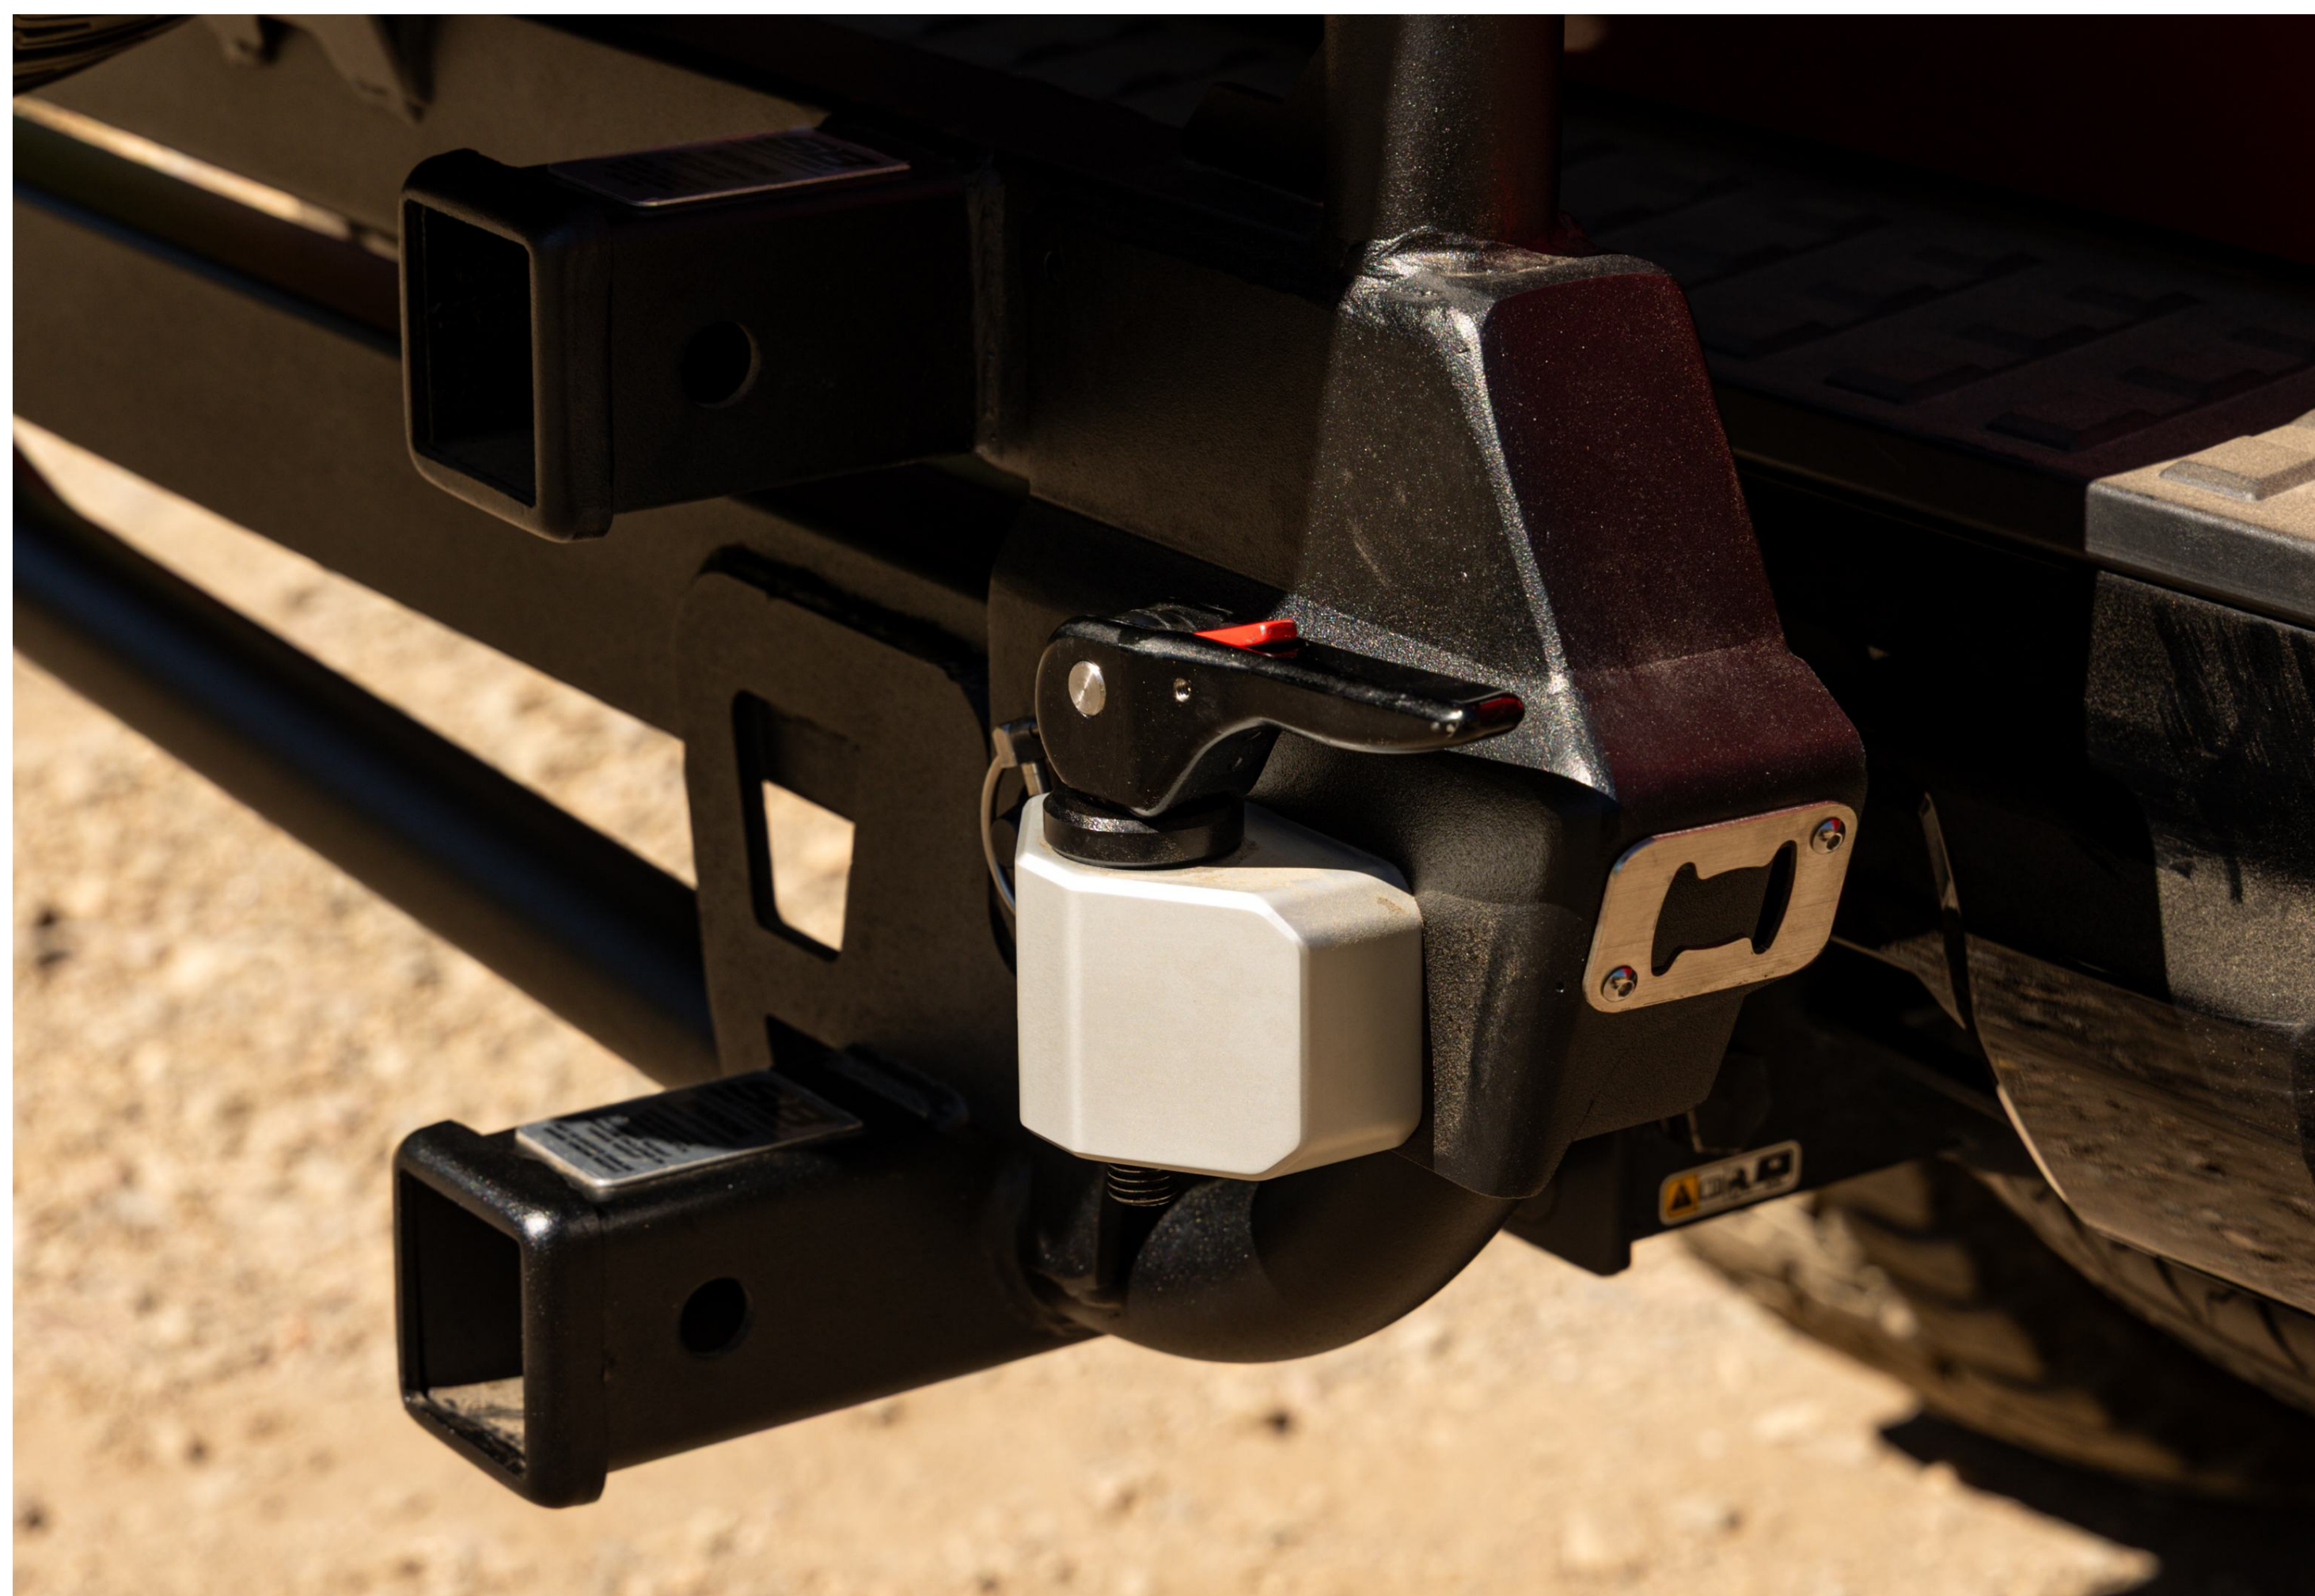

With durable construction and an anti-rattle design, the Defender carrier keeps your gear secure, your spare accessible, and your rig ready for the next stop.

MISSION-CRITICAL STRENGTHS

- Heavy-duty steel and aluminum construction
- Patented anti-rattle system helps keep the carrier tight and quiet
- Auxiliary 2" receiver supports cargo baskets, bike racks, and other hitch-mounted accessories
- Adjustable tire mount supports up to a 35" spare
- Smooth roller-bearing pivot with 90° and 180° lock-open positions
- Fits 5x100, 5x114.3, 5x120, and 6x139.7 bolt patterns
- Two-stage textured powder coat finish
- Limited Lifetime Structural Warranty / 5-Year Finish Warranty

ADVENTURE-READY EXTRAS

- Hidden lockable storage cubby
- Flip-down table with pull-out cutting board
- Built-in bottle opener
- MOLLE/PALS-compatible accessory mount area
- Rotopax-compatible bolt pattern
- Internal bottle jack storage for quick access
